November - December, 2024

Winter Wonderland

On December 12th, Powell’s House hosted a Winter Wonderland event, bringing the entire boarding community together for a festive and memorable evening. Our common room was transformed into a cozy, winter-themed space with twinkling lights and cheerful decorations. Guests enjoyed pizza, hot chocolate, all while watching the football game on the big screen.

This event also served as an open house, giving visitors a chance to explore our rooms and view the Powells House experience. It was wonderful to see everyone come together to celebrate, share laughs, and create lasting memories.

The success of Winter Wonderland showcased the creativity and teamwork, of everyone in Powells House. Thank you to all who helped organize, decorate, and welcome our guests. Let’s carry this energy into more events that celebrate the incredible community we’ve built together.

Movember Morning Run

To celebrate Movember, our boarding house took the lead in promoting awareness and support for men’s mental health by organizing a Movember Run. From 7:00 to 8:00 AM, students made their way to Tim Hortons and back. The event wasn't just about the run—it was about raising awareness and showing unity for an important cause. Participants returned with smiles (and coffees in hand) after a morning well spent.

Powell's House Day Students Vs. Faculty Game

The Faculty vs Powell's House Day Student game was held on November 1st. While the faculty demonstrated their experience and poise, the day students brought the energy. Team Faculty just beat the day students in a neck to neck battle, ending the game with shared appreciation.

Thank you to everyone who participated and supported these events—it's moments like these that make our house truly special!

Intra House Games

Leaderboard

1. Maroon (5 Points)
2. Black (3 Points)
3. Grey & Orange (1 Point)

This week's Intra-House Dodgeball Games brought energy and excitement to the gym as teams battled for points. The competition was great, and congratulations to the Maroon team and thank you to all players and supporters for making the event a huge success!

LION OF THE MONTH

Congratulations to our Lion(s) of the November month: Joshua and Chris. This month these two have been extremely positive and enthusiastic, always looking to help others. This roommate duo deserved every part of this award.
